Our Inspiration

“Born in a family of Taluqdars from Balia in Uttar Pradesh, my father, Late Shri U.S. Srivastava was truly a man with a mission. Having risen from trying circumstances during the freedom struggle he set out to do good to the community at large. He relentlessly struggled to establish Educational Institutions to churn out responsible citizens and world class professionals.”

*"Education is the most effective weapon,
we can use to change the world!"*

Message from The Chairman

We engage with Students

Our 34 Years of Journey...

Under the aegis of U.S. Srivastava Memorial Educational Society, Sherwood Educational Group began its journey way back in 1989. Guided by its vision to establish world class educational institutions for aspiring students and equipping them with skills of life and produce good citizens of the country. To translate the vision into action the group always believed in the philosophy -"Our people are our biggest asset." It reflects in our core team of leaders. They all have proven track record of excellence in their respective fields.

Assured 100% Internship & Placement

Ms. Pallavi Lal
Placement Director

In today's bustling environment our endeavor has been towards preparing professionals with a global perspective and localized demeanor. Energies of the youth are not only channelized but developed in a holistic manner.

With a highly qualified and experienced faculty and a group of professional Managers, teaching & learning process at SEG aims at developing talent through competence building. The program aims to impart students - knowledge, skills, attitude and character of a high order to enable them to face the competitive corporate world. Team work, strong value system and achievement orientation are part of the Learning & Training imparted to the Future Managers.

We promise to deliver consistent performance year after year. We leverage our strength to achieve 100% summer internship & final placements.

Mr. Satish Kumar Srivastava

Message

Education plays a vital role in changing lives. Therefore, the choice of an institution is crucial and impacting the future. Technical challenges & expectations of the market need sound technocrats and managers. We aim to provide quality education to the students, which helps them to face the world with confidence. We also aim to provide appropriate and healthy environment to faculty, staff and students, so that the focus is entirely on studies and technological growth.

Separate boys and girls hostel are located inside the campus. High priority is given to safety and security of Girl students.

I am confident that SEG, will soon reach a degree of excellence due to the vision of our Honb'le Chairman, dedicated faculty members and hard working students.

I wish a very prosperous career, once you explore and accept the opportunities available at SEG.

"Here is your opportunity for successful career."
